ATTACHMENT TO PROOF OF CLAIM OF HOWARD COUNTY, INDIANA

1. Description

Howard County, Indiana ("Howard") files this Proof of Claim for unpaid 2005 real estate and personal property/business taxes owed by Delphi Automotive Systems, LLC ("Delphi") to Howard.

Real Property Tax Statements for unpaid 2005 real estate taxes in the amount of at least \$2,453,074.52 secured by real estate owned by Delphi are attached hereto and incorporated herein as Exhibit A. Pursuant to 11 U.S.C. § 503(b), at least \$566,094.48 of Howard's \$2,453,074.52 secured claim is entitled to priority as an administrative expense. In the event that the Bankruptcy Court, after notice and a hearing, finds that all or any portion of the \$566,094.48 is not entitled to priority as an administrative expense, such amount shall be considered part of Howard's secured claim and this Proof of Claim shall be automatically amended.

Business Tax Statements for unpaid 2005 personal property/business taxes in the amount of at least \$4,628,077.82 entitled to priority under 11 U.S.C. § 507(a)(8) are attached hereto and incorporated herein as Exhibit B.

Pursuant to 11 U.S.C. § 503(b), Howard is entitled to an administrative expense claim in the amount of at least \$1,388,423.40 in addition to Howard's priority claim under 11 U.S.C. § 507(a)(8). In the event that the Bankruptcy Court, after notice and a hearing, finds that all or any portion of the \$1,388,423.40 is not entitled to priority as an administrative expense, such amount shall be considered part of Howard's claim under 11 U.S.C. § 507(a)(8) and this Proof of Claim shall be automatically amended to reflect the increase in Howard's priority claim under 11 U.S.C. § 507(a)(8).

By filing this Proof of Claim, Howard does not waive its rights to seek further relief from the Bankruptcy Court including, without limitation, interest, attorney fees, additional fees, costs, expenses, advances, assessments or charges and penalties, and any other amounts which were incurred, accrued, or arose prior to, on, or as of October 8, 2005 (the "Petition Date"), and which are recoverable, or may be included, by Howard under the documents relating to its claim (collectively, the "Claim Documents") and/or applicable law (collectively, the "Additional Pre-Petition Items").

From and after the Petition Date, Howard's claim may also include interest, attorney fees, additional fees, costs, expenses, advances, assessments, and penalties, and any other amounts recoverable by Howard which may be included in its claim pursuant to the Claim Documents

and/or applicable law and which were incurred, accrued, or arose after the Petition Date (collectively, the "Additional Post-Petition Items").

2. Reservations of Rights and Defenses

Howard reserves the right to supplement or amend this Proof of Claim for the purpose of including specific or additional sums as Additional Pre-Petition Items, and to state a total amount that is or would be owed by the Debtor to Howard as of the effective date of any plan of reorganization or liquidation in this case, the date of any distribution or payment with respect to this claim, or any other appropriate date(s).

Howard respectfully does not necessarily consent to, and reserves the right to object to, the exercise of jurisdiction by the Bankruptcy Court over any and all aspects of, and/or any proceedings relating to any subject of, this Proof of Claim. Also, without limiting the generality of the foregoing, Howard respectfully retains and reserves any and all rights it otherwise may have to (a) object and not submit to the jurisdiction of the Bankruptcy Court for any particular purpose, matter, or proceeding, (b) seek entry of final orders in non-core matters only after a de novo review by a District Judge, (c) trial by jury on any issue so triable in any contested matter or adversary proceeding arising in or related to the Debtor's bankruptcy case, or (d) request that the District Court withdraw the reference in any matter or proceeding subject to mandatory or discretionary withdrawal. Further, Howard retains and reserves any rights, claims, actions, setoffs, or recoupments to which it is or may be entitled, in law or in equity, with respect to the Debtor or its assets in the bankruptcy case, and retains and reserves any and all rights, claims, actions, and remedies it has or may have with respect to all entities other than the Debtor.

Howard further reserves the right to amend, supplement, and/or modify this Proof of Claim (and the documents that accompany or support same) from time to time as may be necessary or appropriate to conform to, or to adapt to changes in, facts or law, determinations yet to be made in this bankruptcy case or in other proceedings, or otherwise to further the purposes of filing this Proof of Claim.
